

THE BARLEY MOW

Since 1830, we have been part of Westminster life. Proudly independent and just a short walk from many of London's famous landmarks. Locally known for serving great pub food and arguably the city's best pint.

Some things have changed around us over nearly two centuries.
A proper pint, good food and a warm welcome never have.

UPSTAIRS AT THE BARLEY MOW

Above the pub is the Arneway Room, our private room with its own bar. It's the sort of place that's perfect for getting everyone together, whatever the occasion.

If you're after something a little smaller, we're happy to reserve an area elsewhere in the pub.

Ask one of the team to show you the room,
or scan the QR code to make an enquiry.
